COMPANY PROFILE

Founded in June 2015, Bakue Commerce Company's strategy is to become the major supplier in the world in the building material field in the future. We are working at the construction product developing, manufacturing, trading and researching; providing customers with building materials, products and comprehensive services, all-in-one solutions to meet the global consumer's demands for quality constructive materials, household products and their expectations for the exquisite living environment. At present we provide door locks, shower rooms, bathtubs, bathroom accessories, stainless steel products, bathroom cabinets, kitchen cabinets, doors, staircases, and other home commodities. We are integrating all the supplying resources in China and other countries step by step, and strive to become the one stop supplier for all Construction and Decoration Materials and services.
